Welcome to our Spring Camp!

This year, our Spring camp is designed around the arts!

From Monday, April 11 to Friday, April 15, we are welcoming children from Nursery to Kindergarten in our Maternelle Building, and 1st to 5th Grade students in our Elementary and Middle School Building.

At our Flatiron District campus and the surrounding Madison Square Park and Peter's Field, campers learn and practice both French and English through daily fine art, music, circus arts, theater, martial art and many other workshops and activities!

Throughout the day, children are guided through workshops and activities by a camp team composed entirely of The École's School Life assistants and teachers, and instructors from our After-School program partners. All are native speakers of French or English and all are deeply experienced in working with language learners of all levels. They ensure campers have the opportunity to improve their French and English language skills, at their own pace and in relaxed—yet enriching—settings.

Nursery to Kindergarten Spring Camp

**Nursery to Kindergarten camp is held at the Maternelle Building
206 Fifth Avenue, New York, NY 10010**

The days begin at 8:30 a.m. with a morning welcome followed by the first activity, an outdoor recess (at Madison Square Park or on our rooftop, weather permitting) followed by a second activity.

Then it's time for lunch and quiet games, and, for our youngest campers, nap time.

The three afternoon workshop activities, just like those held in the morning, are run in French or English. A snack is provided in the afternoon.

Parents can pick their children up between 4:45 p.m. and 5 p.m.

Please note that lunch will not be provided by the camp.

Parents are required to pack lunch for their child(ren) and make sure the children have it with them at morning drop-off. Please do not pack any food containing nut products as The École is a nut-free environment.
