

October Camp Brochure

Monday, October 10 – Friday, October 14
Contact: camp@theEcole.org

Welcome to our October Camp!

Join us for an enriching, immersive—and fun—bilingual experience!

From Monday, October 10 to Friday, October 14, we welcome all children aged 3 to 10 years old—both students of The École and neighborhood friends. There is no minimum level of French or English required to take part!

At our Flatiron District campus and the surrounding Madison Square Park and Peter's Field, campers learn and practice both French and English through daily fine art, music, theater, sport, dance and many other STEM activities!

For children from Nursery to Kindergarten, The École October Camp takes place in our Maternelle Building, and in our Elementary and Middle School Building for 1st to 5th Grade students.

Throughout the day, children are guided through workshops and activities by a camp team composed entirely of The École's school life assistants, staff, teachers, and instructors from our After-School program partners. All are native speakers of French or English and all are deeply experienced in working with language learners of all levels. They ensure campers have the opportunity to improve their French and English language skills, at their own pace and in relaxed, enriching settings.

Important information & reminders

Registrations

- Registrations for the October Camp will open on Monday, September 19 at 6 p.m. and will be open until the end of the camp.

Refund & Cancellations

- Please, click [here](#) to read our Terms & Conditions.

Pick-Up

Please consult this brochure for start and finish times and make sure to be on time to pick-up your children.

- **Lateness Fee for After-School Pick-Up:** children must be picked up promptly at the end time specified for their camp. Due to the need to compensate staff who wait with children who are picked up late, there will be a charge for late pickup to the amount of \$20 per every full or partial quarter of an hour late.
- **Pick-Up Points:**
 - Maternelle Building: on the 5th floor.
 - Elementary & Middle School Building: in the lobby.

Snack & Lunch

- The school provides a snack in the morning and in the afternoon. Parents may also provide their own if they prefer.
- **Please note that lunch will not be provided by the camp.** Parents are required to pack lunch for their child(ren) and make sure the children have it with them at morning drop-off. Please do not pack any food containing nut products as The École is a nut-free environment.

What to wear

- We are planning many movement and arts activities. It is important that campers wear comfortable clothes and shoes that can be stained...!
- Students from The École do not need to wear their uniforms for camp.

The week before the camp, a welcome letter with more details and information will be sent to all families who registered their children.

Nursery to Kindergarten October Camp

Nursery to Kindergarten camp is held at the Maternelle Building
206 Fifth Avenue, New York, NY 10010

The days begin at 8:30 a.m. with a morning welcome followed by the first activity, an outdoor recess (at Madison Square Park or on our rooftop, weather permitting) followed by a second activity.

Then it's time for lunch and quiet games, and, for our youngest campers, nap time.

The three afternoon workshop activities, just like those held in the morning, are run in French or English. A snack is provided in the afternoon.

Parents can pick their children up between 4:45 p.m. and 5 p.m.

Please note that lunch will not be provided by the camp.

Parents are required to pack lunch for their child(ren) and make sure the children have it with them at morning drop-off. Please do not pack any food containing nut products as The École is a nut-free environment.

Nursery to Kindergarten October Camp Activities

Descriptions of the Activities

Arts avec Adeline Berlioz, en français

Adeline will take the children on an artistic journey, crossing eras and spaces. Together, they will discover new cultures and create an artistic project to take home. Through their travels, they will also learn different types of artistic techniques.

Body Movement with Emilie Aguerre, in English

Jump, spin, and slide into this amazing dance workshop! In this perfect introduction to dance, we will explore creative movement, ballet, and Broadway musical theater. The children will learn the art of story-telling through music and movement with classical music and fun filled songs. They will also learn skills like listening and how to follow instructions, working alongside their peers, taking turns, setting goals and feeling the excitement of achieving them!

Drone Pilots Course

This is a marvelous program that focuses on giving kids an exciting introduction to Science, Technology, Engineering and Math. Modeled after the training air force pilots undergo, this class takes kids through an exciting obstacle course as they pilot their Unmanned Aerial Vehicle (AKA The Drone), while learning all the science behind flight, communication, observation skills and becoming a leader.

Game Coding with Swan Kids, in English

This program gives children a solid foundation in coding basics. Children will discover beginner programming concepts to develop fundamentals of computer languages and binary code.

Nursery to Kindergarten October Camp Activities

Descriptions of the Activities

Robotics with Swan Kids, in English

In this very hands-on robotics program that focuses on mechanical and electrical engineering, children will build and assemble simple drones and create remote-controlled robots, all while learning the science behind this incredible technology.

Rhythmic Gymnastics with Émilie Aguerre, in English

Come Dance and Play with a ribbon, rope, hoop or ball! Rhythmic Gymnastics is a fun activity that helps develop flexibility, agility, dexterity, strength and coordination.

Tennis with Tennis Innovators, in English

At our Fifth Avenue Building, students will learn the basics of Tennis while having a blast!

Théâtre avec Aurélien Dutier, en français

During this workshop, Aurélien will introduce children to theater through body and speech. Children will work on appropriation of space, of oneself, of others, and the interactions.

Elementary Spring Camp Activities

Descriptions of the Activities

Arts avec Adeline Berlioz, en français

Adeline will take the children on an artistic journey, crossing eras and spaces. Together, they will discover new cultures and create an artistic project to take home. Through their travels, they will also learn different types of artistic techniques.

Basketball with Swan Kids, in English

Children will be offered a comprehensive look at this incredible sport, through skill development, strategy, and team dynamics, sports-specific training all layered with a fun physical game experience!

Choreography Workshop with Emilie Aguerre, in English

Have you ever dreamed of being in a Broadway show? This exciting class is a five-day workshop. Over the course of the week, you will be taught the choreography to music from "A Nightmare Before Christmas", just in time for Halloween! Emilie will break down the choreography so you can learn the whole thing step by step, transforming you into a scheming monster by the end of the week where your performance will be videotaped for you, your family, and friends to enjoy. You do not need any dance experience to join this class!

Drone Pilots Course

This is a marvelous program that focuses on giving kids an exciting introduction to Science, Technology, Engineering and Math. Modeled after the training air force pilots undergo, this class takes kids through an exciting obstacle course as they pilot their Unmanned Aerial Vehicle (AKA The Drone), while learning all the science behind flight, communication, observation skills and becoming a leader.

Elementary Spring Camp Activities

Descriptions of the Activities

Musique avec Rudolph Vernaz-Colas, en français

During the music camp, children will focus on the basics of rhythm, utilizing various percussion instruments by themselves or as accompaniment to songs. An introduction to piano and note reading will be offered for the elementary kids.

Théâtre avec Aurélien Dutier, en français

During this workshop, Aurélien will lead the children to work on their voice and their body. Through some skits, children will learn to use their voice and their body to communicate, collaborate and interact together.

The Knights of The École with Cinemakidz, in English

Enter the mythical forest realm of Ecole in this specialty CinemaKidz camp! Transform into a fantasy character of your choice, build props, form unions and teams with other campers, and dream up an awesome story to act out, film, and finally edit over the week within the secret hidden areas and walls of Ecole School. This camp combines Larping and Filmmaking for a truly imaginative and fun experience. Campers will leave with their prop gear, and an awesome finished sci-fi/fantasy film.
